**Middle School Christian Formation in the Middle School Youth Room (room 18)**

This group will move through a variety of topics in three to four week segments in order to gain an increased awareness of their faith and spiritual journey. They will learn about the magnitude of God and new ways of opening up to the awesome power of God. They will learn to communicate with parents and peers through gaining a better understanding of their own temperament and communication styles. They will then journey through a discovery of their own faith by studying the stages of faith and spiritual development.

They will then bring it all together and learn to take it into the world by learning about faith in the culture that is around them.

### **High School Christian Formation in the High School Youth Room (room 19)**

The primary focus will be to learn to build and function within a community of believers. The group will move through a variety of topics throughout the year.
